

Day 6 Memory Power

Name: _____

Date: _____

Improve your memory with exercise.

There are many logic, memory and learning games on the internet. You need to be make sure that the games are actually building skills that will help your memory and logic skills, not just hand-eye coordination. At the very least, choose typing games to improve a skill you will actually be using in your classes.

go to www.CommonCoreCarnival.com/games.html

Choose Memory Games and choose from the games linked to that page.

Language Arts Games

Brain Safari <http://www.memory-improvement-tips.com/brain-safari.html>
